

Example: My friend John Doe and I have tickets for October 5, 2018 and we need to change them to October 7, 2018. John does not Internet access and I am changing the tickets for both us.

- 1) Go to <http://www.daytontheatreguild.org/tickets>
- 2) Scroll down until you see the **Golden Ticket** and click it

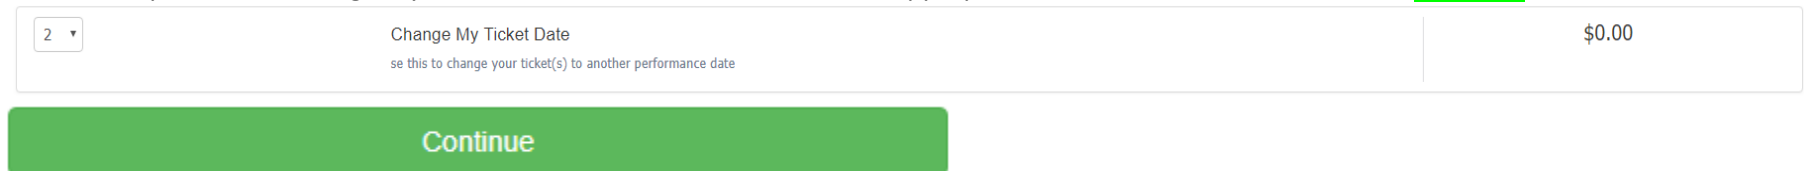

- 3) A new page will open. Find the production you want to attend and click the **Buy Tickets** button

- 4) Click the **Select** button for the **NEW DATE** you want to attend. The box office will take care of your original tickets.

- 5) Click the drop-down for Change My Ticket Date ticket count and select the appropriate number of tickets and click the **Continue** button

- 6) Fill in the all the necessary field (with asterisks). Because I am also changing John's ticket, I will enter comments in the Comments Box about changing his ticket and the date of our original tickets. Then click the **Confirm Order** button. That's it You'll get an order number and email confirmation

Comments

Also changing the tickets for John Doe. Our original tickets were for October 5, 2018. Thank you.
